

Safety City

Thank you for visiting our site and for your interest in SAFETY CITY! Safety City has officially broken ground at our new location, and the newly named Peace Country Safety Resource Centre has most renovations complete. The Peace Country Safety Resource Centre is now home for the office space of Grande Prairie & Area Safe Communities, as well as the Grande Prairie & District Burn Society. 10318 - 92 Street Grande Prairie, AB T8V 5K9 Here is the up-to-date site plan for our Safety City in our new location.

Grande Prairie & Area Safe Communities continues to make progress with the Safety City project! Click [here](#) for our September 2008 update letter. For those who are not familiar with what a safety city is, please download the following project presentation to see some sample photos and an outline of our project.
