**Kangacruz Aspire RS**

Mini Golf Cart

These mini golf carts were purchased for a program but did not end up being suitable to the needs of the program. These were driven for approximately 2 hours in total and have otherwise been stored in a heated garage.

Grande Prairie and Area Safe Communities is a non-profit, registered Canadian charitable organization whose mission is to promote public safety and reduce the incidence of injury in Grande Prairie and area through the maintenance and operation of Safety City and other programs designed to educate the public about safety and injury prevention.

We offer many safety programs to children and youth in the area as well as collaborate with local organizations to educate and participate in awareness campaigns for safety and injury prevention to all members of the community.

Please visit [www.gpsafecommunities.com](http://www.gpsafecommunities.com) to learn more about who we are and what programs we offer to the community.

**If you would like to look at the carts, or are interested in purchasing, please contact Cindy.**
