THINKFIRST CONCUSSION EDUCATION ONLINE

www.concussioneducation.ca

"Athletes, Referees, Administrators, Parents, Coaches and Health Care providers must be educated regarding the detection of concussion, its clinical features, assessment techniques and principles of safe return to play."

*Excerpt from the Consensus Statement on Concussion in Sport
3rd International Conference in Zurich, November 2008*

ThinkFirst Concussion Education Online is a collaborative effort between ThinkFirst Canada and Safe Communities Canada, both national charitable organizations dedicated to injury prevention.

Sport associations, clubs, and leagues can enrol online without cost. Members of enrolled groups can then take the course for only \$9 – less than the cost of a movie ticket!

**Visit our website at www.concussioneducation.ca
and view the demo to learn more.**

- Learn in your own home, at any time
- Complete your training within an hour
- Download/Print a Certificate of Completion
